REQUEST FOR NEW OFFICE ACTION AND
RESETING OF RESPONSE PERIOD

Assistant Commissioner of Patents
Alexandria, VA 22313

Dear Sir:

The Final Rejection of May 14, 2010, incorrectly refers to "Zhou." While we believe the Examiner means "Zhu", this is unclear, especially because Section 5 of the Office Action asserts a new § 103 rejection based on "Zhou" and admitted prior art. Accordingly, it is impossible from the Office Action to determine which reference is being applied, "Zhou" or "Zhu".

Given that it is impossible to determine from the Office Action which reference is being applied, it is respectfully requested that a new Office Action be issued and that the period for response be reset.

Respectfully submitted,

/James Edward Ledbetter/
